

## About the build:

The Holliston Housing Trust generously donated funds to rehab the abandoned home located at 172 Concord Street. The structure is a 3 bedroom, 1 ½ bath single family home on a .5 acre parcel of land in Holliston. A local family in need of safe and affordable housing will be chosen to live in the home. The design, style, and materials for this home will allow the future homeowners to seamlessly integrate into their new neighborhood and community.

## Holliston Home Build

## Building Strength, Stability, and Self-Reliance through Shelter

Habitat for Humanity MetroWest/Greater Worcester builds and sells homes to local families in need of affordable housing using volunteer labor and donated materials.

A Habitat home is a strong foundation for a family, an opportunity on which they can build a better life. The homes are a stabilizing force for a family. Better, affordable living conditions lead to improved health, and the ability—and financial flexibility—to make good choices for the future.

A decent place to live and an affordable mortgage enables homeowners to have more money left over to pay for essentials such as healthy food, medicine, transportation, and to save for education. Your financial support, your time, and your voice, will help build strength, stability and self-reliance to families in need of a safe and affordable home. Through shelter, we empower.

## Partner Families

We use three criteria to select families for our home build program:

- 1) Need for adequate shelter
- 2) Ability to pay a monthly mortgage
- 3) Willingness to partner with Habitat

These qualifications ensure that families purchasing a Habitat home are in need of affordable housing, have a strong desire to work for their goal, and will have the ability to pay for their home over a 25 or 30 year mortgage.

## Sweat Equity

Habitat builds homes with families, not for them. Partner families invest 400-500 hours building their own home or volunteering on another Habitat project.

## How You Can Get Involved

- Make a donation by visiting [www.habitatmwgw.org](http://www.habitatmwgw.org). Click the Orange Donate Button and direct your gift to Holliston Build.
- Sign up to volunteer on the build site at: [www.habitatmwgw.org/volunteer](http://www.habitatmwgw.org/volunteer).
- Organize your business, faith group, school, friends or other group to sponsor a team build day. Read more here: <https://www.habitatmwgw.org/home-build-day-opportunities/>
- Make a Gift-In-Kind donation of building materials, labor, or services.
