Your support of our Habitat ReStores gives more people the tools to build strength, stability and independence for themselves and their families.

A recent Habitat homeowner, shared a few words about their new furry family member: "Zazu—our new dog—is the latest member of our family! He is very funny and my kids love him so much. They always dreamt of having a dog for many years, and I responded that we couldn't have a dog unless we had a nice home to live in. And now they got it!"
