

## *Virtual Build Day Sponsorship Opportunities*

### *81 Harrison Street in Worcester, MA – Three Townhomes*

[To learn more about the three townhomes currently under construction, please click here.](#)

While our construction sites are not yet open to large groups of volunteers due to the pandemic, we hope you will continue to support us. Building a home for a local family comes with tremendous costs.

The items your sponsorship will help to fund include, but are not limited to, roofing, storm doors, inside and outside doors, windows, flooring, kitchen cupboards and counters, bathroom vanities, paving the driveway, landscaping, fill, stairways, front and back porches, dry wall, washers, dryers, and much more.

Your support will mean the world to a local family who so urgently needs a safe and affordable home to live in—especially during the pandemic!
