Women Build 2022
Sturbridge & Worcester Late April, May, and into June!

Women Build is needed now more than ever to help local women and families build strength and independence through affordable homeownership. Are you ready?

1. Commit to recruiting your team of 8-10 or join as an individual.

2. Confirm your date and location by contacting sara.costello@habitatmwgw.org

3. Fundraise on behalf of families who need an affordable home. Our online fundraising platform is easy to use and we provide tips and templates.

4. Each team member is encouraged to raise at least $500 by asking contacts to support you helping local families seeking an affordable home. Our online fundraising platform helps you easily share the Women Build message.

5. Participate on our construction site for your confirmed Women Build Day!

No experience necessary! We have staff and regular volunteers on site who will train and lead you in your build activities. We’ll provide the tools or bring your own well marked tools.

Can men take part in Women Build? Yes! All are welcomed.
