

Your support gives local families the opportunity to help themselves. Homeownership allows local families to save more, invest in education, live in healthier environments and have more financial stability. It's the foundation for a better future.

With your financial support, your time, or your voice, you can help create a world where everyone has a decent place to live, starting right here in our own communities. Help Habitat for Humanity MetroWest/Greater Worcester build strength, stability, and self-reliance through shelter.

Who We Are

We build
**strength, stability
and self-reliance
through shelter**

every parent
wants a better future for their family

"Being on site and seeing the time and effort that others so willingly give of themselves, not even knowing us personally, is a lesson in gratitude at a level we have never experienced. These volunteers are helping to build our dreams."

Owning a home was a goal we had to put on the back burner due to financial hardships that arose from raising 3 boys diagnosed with autism. Habitat for Humanity MetroWest/Greater Worcester has provided us with support, knowledge and opportunity to reach a goal we thought was out of reach. They have helped us provide a forever home for our boys."

Quote from Sophie Ewings, pictured above with her husband Marc, a Marine Corp Veteran, and their three boys at their new home in Worcester, MA.

Our Programs

Home Builds: Your volunteer efforts help local families build strength, stability and self-reliance through shelter.

Veterans Build Initiative: Designed to support our veteran community through home builds, operation playhouse, and home repairs.

Operation Playhouse: Playhouses provide a special place for a veteran or current military family to bond, play, dream, and think! In a single day, sponsor teams build, decorate, and donate playhouses to veteran or military parents and their children.

Home Repair: Repair program that focuses on accessibility, safety, and code issues to keep local families in their homes.

Neighborhood Revitalization: Multi-year effort to revitalize an entire neighborhood.

A Brush With Kindness: Minor exterior improvements to enhance the appearance of a home and community.

Shop our ReStores!

The Worcester ReStore is located at
640 Lincoln Street, Suite 100.

The Ashland ReStore is located at 310 Pond Street.

To support Habitat's mission, donate your new or gently used furniture, home appliances, and building materials. Or, come and shop for affordable and unique items at our stores. Every purchase supports our mission to build homes, communities and hope for local families and veterans.

Our motto is *"A hand up, not a handout."* We are dedicated to building houses with local families, not for them.

We partner with hardworking local families who earn between 30% – 60% of the area median income and do not qualify for other homeownership programs. Not only do local Habitat families pay for their homes through a monthly mortgage, they also invest between 300 hours of sweat equity prior to becoming homeowners.
