Dear Pam & staff,

Our family wanted to extend our appreciation to all of you for our wonderful experience last Friday.

You made our three-year old granddaughter so happy, and her grandfather so thrilled (and emotional!) She loves her house and he appreciates that his time in the service allowed this to happen. He was acknowledged and thanked, and was able to give her a great gift. She is

his "ray of sunshine", and he will enjoy playing with her.

You really make such a wonderful impact on families, and certainly bring a lot of joy. We were

With sincere gratitude

and warmest thanks.

happy to meet you & the staff. The day was so memorable for all of us! Thanks don't seem to be enough. Jude, Buel, Riley, Kaitie & Eric Hellett
