every parent
deserves a safe place to laugh
and grow with their children

Your Operation Playhouse build day:

- Wear closed toed shoes and dress appropriately for a construction site.
- No experience necessary! We provide all tools, safety gear, and materials. An experienced staff member will be on-site all day to work with your team.
- Your build day will kick off around 8:00 AM with an orientation. Lunch is at noon, and the firefighter or veteran family will arrive about 2:45 PM. Your team will present the playhouse to the family, and the day will end about 4:30 PM.
- For each child, the unveiling is a surprise—and you will see the joy on their faces. It is a special celebration in which your team participates.

About

- A unique volunteer event hosted at YOUR location if a 30' x 40' space is available.
- An inspiring and hands-on team building event where staff share camaraderie, learning new skills, and fun, while giving back to firefighters and veterans.
- Supports Habitat's mission to build homes, communities and hope.

Logistical Details:

- We build **outdoors** from early May— late October and **indoors** from November— late April.
- We can help find space to host your Operation Playhouse event if yours does not work.

Operation Playhouse impact:

Every playhouse built is donated to the children of a firefighter or military/veteran family. The playhouses serve as a safe, personal space for families to connect. They are a constant reminder that the community is proud and supportive of their sacrifices.

The donations made by your group or corporation also serve to fund our mission to build homes, communities and hope for local families.
