Wed. – Sat., 8:30 AM – 4:00 PM
Reserve Your Day Soon! (Based on Availability)**

TO PARTICIPATE AS A FUNDRAISER

Commit to recruiting your team of 8-10. (Up to 20 using morning and afternoon shifts). For larger teams, we will do our best to accommodate you.

Confirm your date by contacting: sara.costello@habitatmwgw.org

Fundraise on behalf of families who need an affordable home. Our secure online fundraising platform is easy to use, and we provide tips and template messages you can share.

Each team member is encouraged to raise at least \$500 by asking friends and family to support their efforts to help local women and families seeking an affordable home.

Participate on our construction site for your confirmed Women Build Day!

HELP LOCAL WOMEN & FAMILIES WHO NEED AN AFFORDABLE HOME!

Women Build provides the opportunity for women to take a proactive step in helping local low-income women and their families achieve a more stable and secure life through affordable homeownership. Over 75% of local Habitat homeowners are women.

With so many families priced out of homeownership, your help is urgently needed!

ABOUT THE 521-523 SUNDERLAND ROAD, WORCESTER BUILD

These two single-family homes are well underway! Your build team will help with projects such as hanging drywall, painting exterior siding, laying the flooring, and more! Specific tasks vary depending on site progress.

Once complete, these 1,560 square foot homes will have 3 bedrooms and an optional 4th bedroom on the 1st floor, 2 bathrooms and full basement. Located in an accessible area for shopping, schools, parks, and highways, two local low-income families will build strength and stability through affordable homeownership.

OR ASK ABOUT THE 174 BOUNDARY STREET, NORTHBOROUGH RENOVATION

Some outdoor projects with limited dates are available for this duplex home build, so be sure to reserve your date soon!

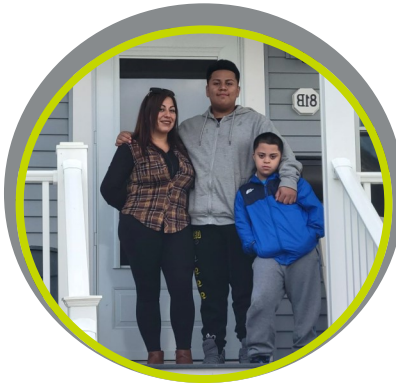

FAQs ABOUT WOMEN BUILD

Can men take part in Women Build? Yes! All are welcome.

No experience necessary! We have staff and regular volunteers on site who will train and lead you in your build activities. We'll provide the tools or bring your own well marked tools.
