WOMEN BUILD JOINS FORCES WITH OPERATION PLAYHOUSE TO CONSTRUCT PLAYHOUSES FOR CHILDREN OF VETERANS AND MILITARY FAMILIES!

Operation Playhouse is a unique program that honors local veterans and military families, while raising needed funds for affordable homes that benefit local low-income women, veterans, and families.

How does it work? Your team of 8 – 10 will work together to construct and decorate colorful, themed children's playhouses, which are donated to the veteran family in a short ceremony at the end of the day. Your team will honor the veteran family for their service, and witness the surprise and delight of the child!

All are welcome - no experience necessary! An experienced Playhouse Captain will lead you.

- Did you know women are the fastest growing veteran group?
- Women veterans are impacted by homelessness, and more likely to be homeless with children.

Sponsors contribute a tax-deductible donation of \$3,000 for each playhouse built.

Fundraisers commit to raising \$400 for each team member. We provide the donation platform, content you can share, and tips to help you reach your goal.
