

FROM ONE OF OUR PARTNERS:

“For many years, our **National Development team** has proudly raised over **\$20,000 annually for Habitat** while delivering meaningful learning, service and team building opportunities that help make National Development a great place to work. **I encourage others to give it a try!** Our employees accomplished this through participating in a **Women Build** event each year which includes a robust peer to peer fund raising effort through personal and professional relationships. Habitat for Humanity MetroWest/Greater Worcester has been providing opportunities for our employees to engage in charitable work on build sites, **Operation Playhouse, Women Build** and the **Annual Gala.**”

MAKE A LASTING IMPACT

Your **unique and memorable experience** makes a positive impact for local families!

ALL PROCEEDS BENEFIT

our mission to build **homes, communities and hope** on behalf of local low-income families and veterans.

WHAT DOES HABITAT DO?

Our mission is to **build homes, communities and hope** on behalf of local families and veterans.

We bring people together from all walks of life, including the local low-income families we partner with, because it takes **everyone** to make a difference.

Partner families contribute **300 hours of sweat equity** helping to build an affordable home, taking homeownership readiness courses, and then **purchase their home based on their income** rather than the home's market value.

WHAT OPPORTUNITIES DOES HABITAT OFFER?

AFFORDABLE HOME BUILDS

An affordable home helps local families build strength, stability and self-reliance. Your team of 8-10 can take part in a hands on Build Day with lasting impact.

HOME REPAIR

Your team of 8-10 can help make needed repairs so that families can remain safely in the home that they own and love.

WOMEN BUILD

Over 70% of local Habitat homeowners are women. Teams of 8-10 women (and men!) fundraise, are sponsored, or both, then help build with us for a day.

OPERATION PLAYHOUSE

Build a playhouse for a **veteran family** with your team of 8-10.

A unique volunteer event hosted at **YOUR LOCATION** if a 30' x 40' space is available. **Meet the veteran family** at the end of the day, and present the playhouse.
