

everyone

has a story

The apartment we are coming from is not safe. There is a lot of violence, and my children can't go out to play because being out of the house is a danger.

I am very happy because finally, after a long time, everything is going to change. I have 2 children, Eliel, 12 years old, and my other blessing, Angel Gabriel, 10 years old, who has down syndrome. Angel Gabriel is the most living and tender child on earth. And I can't forget my dog, Fluffy, 9 years old.

We will all be able to enjoy the spaces, freedom, and security that our new home will bring.

Finally, the children will be able to go out to play without feeling my fright, and I will feel tranquility. For the first time, we will be able to enjoy having a yard.

Thank God, for me this is a dream come true, and it would not have been possible without the help of this organization!

- Angelica

How to Participate

Teams **fundraise**, or they may choose to **sponsor**, and then build for a day, together contributing to make the home affordable.

We provide fundraising tips to help make participation achievable. Each team member is encouraged to raise \$500.

Fundraising teams have access to an easy to use, secure online donation platform that can be personalized and shared with family, friends and colleagues.

To sponsor a team, contact:

Deborah.huegel@habitatmwgw.org or
(508)799-9259 x118

To form a fundraising team, contact:

Sara.costello@habitatmwgw.org or
(508)799-9259 x107
